

_____, 2009

Dear Senator Hagan:

I am writing to ask you to support health care reform that reduces cost, guarantees quality, affordable health care for everyone and allows competition and a choice: to be able to keep my private insurance **or join a robust and honest, national public health insurance plan option**, based on my family's ability to pay. I also want rules to regulate the insurance industry, so that health care coverage would actually be there when I need it.

Sincerely,

_____, 2009
